

WEDDING WEEKEND WELCOME BOXES

ALABAMA WELCOME BOXES

WHAT IS THE POINT?

There's no better way to welcome your guests to a wedding day—or wedding weekend—than by putting together your very own welcome bag, or, if you're feeling particularly gracious, a welcome box or basket! Especially fitting for celebrations where you know that many of the guests have traveled from far and wide, a small gift with a few hand-picked surprises is just the thing to make every attendee feel like a special part of the big day.
